Dear Advanced Placement Students and Parents:

We are thrilled that you have made the decision to challenge yourself academically through the Advanced Placement (AP) program. AP is a program of college-level courses and examinations that offers high school students a unique opportunity to earn college credit. Each year in May, students across the country take the AP examinations. As a student in the AP Program at Tallwood High School, please remember that you are expected to take the AP exam.

This year, the AP exam fee is **\$94**. If your student qualifies for the free/reduced lunch program, your student is eligible for an exam fee waiver and can take the exam for free. Students must register online and indicate they qualify for free/reduced lunch. AP Exam registration will be pending until free/reduced lunch status is confirmed by Tallwood High School.

For the 2019 AP exams, students will register online at **[www.TotalRegistration.net/AP/472309](http://www.TotalRegistration.net/AP/472309)** or click on the link provided on the Tallwood High School website and pay with a credit or debit card. This registration will take a few minutes and can be completed from any computer with internet access. Online exam registration will begin on Tuesday, January 15, 2019 and end on Wednesday, March 27, 2019 at 11:59 p.m. To complete registration, students must answer all of the required questions. Please be sure to have a credit or debit card available before beginning registration. Registration is not complete until the student has printed the confirmation page that is provided at the end. We know that parents may desire to register their students for exams; however, we strongly recommend that parents and students complete the registration process together to ensure that the correct exams are ordered.

#### Important dates for the registration process:

- **Tuesday, January 15, 2019** **Registration Begins**
- **Wednesday, March 27, 2019 at 11:59 p.m.** **Registration Ends**

Please do not hesitate to contact us if there is anything we can do to assist you.

Sincerely,

Amy Fannon

AP Testing Coordinator
