

Summer Fast Track Tutoring Information

Students who need to pass SOL tests for verified credits may participate in the Summer Fast Track Tutoring Program. This voluntary program is available to students who have passed a class and who were unsuccessful on the corresponding SOL test. The Fast Track Tutoring program consists of twenty-five hours of small group instruction followed by the retake test. The program is offered this summer at Tallwood High School at no charge to students, and students may ride the summer school buses. The schedule for each subject is listed below (no Friday classes). **Please note that online registration for the program is available beginning May 28 at noon.** Use this link: http://www.vbschools.com/academic_programs/summer_school.
