

## Grading Practices

School: Tallwood High School

Subject(s): AP Psychology

Grade Level: 11th – 12th grades

### Homework

- Homework will be 10% of the nine weeks grade and will be preparatory or practice in nature. In GSWLA and AP Social Studies and English classes, some homework assignments will not be accepted late due to the immediacy of the assignment.

### Late Work

- Failure to turn in work on time will result in a deduction of 10% per class period.
- Assignments will be accepted no more than five class periods late.
- All make-up work must be completed one week prior to the end of the nine weeks.

### Explanation of Zeroes

A “o” in the gradebook indicates that the assignment has been graded, but was not turned in.

### Reassessment

Any student who receives a failing grade on a summative assessment (unit test, end of quarter test, major projects or papers) may be given an opportunity for additional instruction and reassessment provided that the student has

- participated in class
- completed assignments
- demonstrated evidence of best effort on the assessment and the learning leading up to the assessment.

### Make-up Work

- Timely completion of all assignments is required.
- Students are expected to make arrangements for make-up work immediately upon their return to school. The teacher will provide assignments and deadlines after discussion with the student.
- Assignments and assessments not completed by the determined deadline will be subject to the late work policy.
- Academic detentions will be used as necessary to insure assignment completion.

### Extra Credit

- Extra credit shall be used sparingly and purposefully as an opportunity for further learning. Teachers will clearly articulate to students how an extra credit assignment is aligned to **curricular objectives**.
- Extra credit shall be related to the current topic of study, fairly available and accessible, and require the use of only those resources known to be available to all students.

- Extra credit will not be used for non-learning activities.
