

Grading Practices

School: Tallwood High School

Subject(s): Algebra II

Grade Level: 9th to 12th

Homework

- Homework/Classwork will be given and checked daily.
- Please note that a list of answers will not be accepted.
- All work must be shown.
- To receive credit for homework/classwork, all problems must be numbered and attempted. This means you must try something with each problem.
- At the end of each unit, a homework grade will be calculated for that unit based on the percentage of homework completed.
- Homework will count 10% of the 9 weeks grade.

Late Work

- No late work is accepted for the unit after the unit test is given.
- Late graded assignment will carry a penalty of 10 points per day after the due date.
- Late homework is given half of the original credit.

Explanation of Zeroes

- A grade of **ZERO** will be given for any work not made up within the given time frame until such work is completed.

Reassessment

Students may have an option to retest unit assessments provided the following conditions are met:

- At least 80% of homework is completed for the unit.
- Test corrections must be completed with 90% accuracy or attend a mandatory help session.
- **Maximum recovery grade is 90%.**

Make-up Work

- It is the responsibility of the student to find out what homework, notes, test, or quizzes were missed. Check the class website: <http://maththewongway.weebly.com/> or e-mail Mrs. Wong at Susana.wong@vbschools.com.
- Class time will not be used to make up work.
- All work should be made up within one week.

Extra Credit

Students may be given the opportunity to earn extra points on the unit test by successful completion of additional practice problems assigned for each unit.
